PREPARATION COURSE FOR DELE

LEVEL A2

The DELE diploma is internationally recognised and is awarded by the Cervantes Institute on behalf of the Spanish Ministry of Education and Vocational Training. Universities and employers often ask for certification of proficiency and mastery of the Spanish language through official certification: the DELE exam.

At El Rincón del Tándem Spanish language school we have extensive experience in the field of preparation for DELE exam and our students confirm this by obtaining highly satisfactory results in their exam.

The course is aimed at all those who wish to prepare for the A2 level DELE exam. The centre is responsible for informing users of the timetable and adapts its programme to these deadlines, according to the needs of the group. The course lasts 72 hours, divided into 24 sessions, and is held in the mornings or afternoons. The schedule is set up according to the availability of teachers and students.

OBJECTIVES

During the preparation course for the A2 DELE exam, the students are expected to:

- Become familiar with the structure and procedures of the DELE exams.
- Learn and revise grammatical, morphosyntactic, lexical, semantic, sociocultural and pragmatic contents of the Spanish language, that are typical of A2 level.
- Develop skills and strategies needed for the realisation of the exam through simulated practice of presentation.
- Acquire useful tools and techniques to successfully carrying out the different parts of the exam.
- Develop skills to effectively manage time during the examination.
- Increase confidence and knowledge with regard to the exam.
- Clear up common doubts about the DELE exams.
- Learn about the advantages of obtaining an official certificate from the Cervantes Institute

CONTENTS

The students, during the preparation course for the A2 DELE exam, will learn and practice the basic notions for:

- Knowing the essential requirements to take the exam.
- Getting familiar with the different parts of the exam.
- Adjusting to the timetables and the dynamics of the exam.
- To successfully take tests based on DELE exam samples.
- Describe a person's physique and character.
- Talk about family relationships.
- Attenuating negative aspects in a description.
- Talking about someone's moods and explaining the causes.
- Talking about aches, pains, and symptoms and giving advice on how to alleviate them.
- Talking about someone's biography.
- Giving general advices.
- Giving and receiving information about one's profession.
Understanding a CV.
- Comparing knowledge and experiences.
- Comparing present and past situations.
- Talking about life changes.
- Talking about student life and working life.
- Talking about leisure tastes and preferences.
- Talking about an action in progress.
- Asking for things, actions, favours.
- Making excuses and giving reasons.
- Talking about the duration of actions.
- Giving and asking for information about locations in the city.
- Giving orders and instructions.
- Describing neighbourhoods and dwellings.
- Interacting in shops and restaurants.

- Asking about the quantity.
- Expressing opinions about leisure options.
- Reacting to other people's tastes and opinions.
- Talking about parties and celebrations.
- Talking about plans for the future.
- Talking about plans that were not carried out.
- Talking about causes.
- Giving opinions about artists and their work.
- Talking about places related to culture.
- Asking for and giving information about trips, holidays, and places we visit. Making a reservation.
- Delimiting time actions and placing them in relation to others.
- Saying that something belongs to them.
- Talking about the weather.
- Expressing wishes.

INSTRUCTIONAL MATERIALS

The school provides students with all the resources they need to complete the course. The textbook is not included in the registration fee, so the students will have to buy themselves outside the school. These are the materials that the students will need when attending the Preparation course for DELE:

-Textbook (the name of the textbook will be indicated at the beginning of the course, as well as the different options for its purchase).

-Teaching materials provided by the school.

In addition, the centre offers the following services that will complement your learning process:

-Library's books lending

-ICT (Information and Communications Technology) usage

-Academic tutoring

-Learning strategies

-Other resources deemed relevant by the centre.

MODALITY

The preparation course for DELE exam is given either face-to-face or by distance learning. Group classes have a minimum of four (4) students per class and a maximum of ten (10). Private classes can be held individually or in a group of 3 students, maximum per class. Please consult the school's secretary's office about the fees for private classes for the preparation of the DELE exam. There is also the possibility of distance learning, either individually or in groups (maximum 3 students). However, this online modality is billed as private classes. For more information, please consult the Online Classes section of our website.

DURATION

The duration is approximate. It can be shorter or longer, depending on the modality chosen by the students (group or private lessons) and their level of proficiency.

	HOURS PER WEEK	HOURS PER DAY	DURATION
Course DELE A2	15 hours	3 hours	5 weeks

START DATE

Courses are provided on demand. For further information, please contact the school secretary's office.

WHAT IS INCLUDED?

- ★ Placement test¹
